

 GROHE StarLight®

 GROHE SilkMove®

Featuring an ergonomically loop-shaped lever, the streamlined profile of Quadra makes a bold iconic statement. Soft radii reflect a move towards products that adhere to a minimalist aesthetic, but bring a human element to the spaces in which they are used.

GROHE SilkMove® technology, for precise control over water temperature and flow, enhances the ergonomic design of Quadra's loop handle. The basin mixer is supplemented by bath and shower mixers, all finished with GROHE StarLight®, Grohe's refined chrome surface.
