

Subway

Sleek and attractive:

SUBWAY is the essence of functional purism in the kitchen - and combines this with maximum practicality.

SUBWAY : Image shown is indicative of Subway models & shown with optional pop-up waste fittings

Metric Art

Generous & confident:

The sink as sculpture, as a statement of constancy: it is with confidence, power and extravagance that METRIC ART showcases the material ceramic. Its generous dimensions are also impressive - a powerful piece of design.
