Latest in bathroom design from Villeroy & Boch

Lifetime washbasin

Leading the way in exceptional bathroom design, Villeroy & Boch presents contemporary styling and functionality with the latest additions to its popular washbasin collection *Lifetime*.

Sophisticated yet practical in design, the two new Lifetime washbasins blend elegantly rounded corners with strong geometric lines to create a true statement piece for the bathroom.

Both washbasins are shaped with a wide inner rim, which prevents water splashing over the sides and provides ample space for storing everyday toiletries.

Offering further flexibility, the Lifetime washbasins perfectly complement the matching geometric lines and soft rounded corners of the Sunberry and Omnia Architectura toilet suites and can be combined with both models for a striking bathroom aesthetic.

Also available with Villeroy & Boch's exclusive ceramicplus finish, the Lifetime washbasins boast an easy-to-clean surface that eliminates the need for harsh cleaning agents.

The Villeroy & Boch Lifetime washbasins are available in two sizes (450 mm and 600mm) and are priced from \$499.
