Sunberry wall hung toilet suite

Sunberry wall faced toilet suite and bidet

Villeroy & Boch adds to toilet suite range

Villeroy & Boch is introducing two new toilet suites to its classic Sunberry collection, offering wall faced and wall hung options.

Simplicity and functionality form the basis of the range which provides a timeless quality to suit all bathroom design schemes.

Offering affordable design, the smooth form and rounded edges of the toilet suites make them particularly suitable for family bathrooms.

Villeroy & Boch's Sunberry toilet suites are available with a Soft Close seat. One gentle push of the seat and it closes slowly and gently on its own.

The toilet suites can also feature the company's exclusive Ceramicplus finish, for an easily maintained surface. Ceramicplus causes water on the surface of the washbasin to form droplets which roll off down the plug hole, taking lime and dirt residue with them. Eliminating the need for aggressive cleaning agents, Ceramicplus offers numerous environmental benefits.

In addition, Sunberry is available with Villeroy & Boch's PurAir technology which combats odours to provide cleaner, fresher air for the bathroom.

The Villeroy & Boch Sunberry toilet suites are priced from \$899.
