

Bette Warranty Information & Notes

AUSTRALIAN WARRANTY

Bette GmbH & Co ('Bette') warrants that the following products manufactured by Bette and supplied in Australia will be free from defects in materials and workmanship for the following periods from the date of purchase:

- 30 years for baths, shower trays, basins made from porcelain enamelled steel (and associated products) and finishes on these products;
- 5 years for wastes and overflow combinations supplied by Argent with Bette products.

Bette will rectify free of charge for parts and labor any fault due to a defect in materials or workmanship appearing within the first 2 years of the warranty period subject to the conditions set out below. Bette will also provide replacement parts free of charge if they are required to rectify any fault due to a defect in materials or workmanship appearing within the last 28 years of the warranty period subject to the conditions set out below. Labor is not included in the last 28 years of the warranty period for replacement parts.

The benefits offered by this warranty are in addition to your rights and remedies under the Australian Consumer Law. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

HOW TO MAKE A WARRANTY CLAIM

To claim under this warranty:

- contact either Argent Australia Pty Ltd ('Argent') or the authorised Argent supplier from whom the product was purchased (collectively referred to as the 'Bette Agent');
- provide proof of purchase (such as a copy of the purchase receipt) at or prior to the inspection of the product by the Bette Agent;
- provide to the Bette Agent all known relevant details of the model, finish and nature of the problem to assist with the identification and rectification of any fault;
- make an arrangement with the Bette Agent to have the product inspected at the location where the product was delivered or installed, or to have the product returned to the place of purchase for inspection by the Bette Agent, during the warranty period.

Bette Agents provide service calls within metropolitan regions and also within the normal operating areas of the nearest authorised Bette Agent, using Argent or their nominated Service Agent. This service is conditional on being provided during normal working hours of the Bette Agent or their nominated Service Agent. Where service calls are unavailable then arrangements for repair or replacement of product will be at the discretion of the Bette Agent. Bette Agents reserve the right to request return of faulty products for inspection. Bette and Argent reserves the sole right to determine whether a product contains any defects in materials or workmanship covered by this warranty.

COSTS

Bette will bear any expenses incurred for claims under this warranty, excluding:

- any costs incurred by a Bette Agent or their nominated Service Agent (including the cost of any service call) due to you incorrectly identifying the product or nature of the problem or being absent for a mutually agreed appointment;
- any and all travel costs and expenses incurred or charged by Argent or their nominated Service Agent in connection with any inspection of the product outside metropolitan areas or outside the normal operating areas of the nearest authorised Bette Agent.

Any claim for expenses incurred in making a claim under this warranty should be sent to Argent in writing at the address below.
