

Argent 3 Hole Tapware Release July 2008

Exciting Introductory Range from Argent Australia

European inspired designs for Australian homes. The Argent 3 hole tapware range with 10 impressive styles presents exciting lines for the style conscious bathroom connoisseur.

The collection offers a modern twist on classic shapes as well as stunning post-modern designs. Whether your bathroom is minimalist, art deco or traditional, Argent 3 hole tapware has a unique design to suit you. Each of the 10 models are available in basin sets, wall sets, wall stops and bath spouts.

Features include ergonomic smart handles with subtle lines and curves that guide your hand to the optimum position. The Argent 3 hole tapware range is built to last with high quality German ceramic headparts; and is rigorously inspected with a 100% quality check before reaching your home.

Complete with WELS Australian Standards Approval, Argent tapware basin sets are certified with a 5 star rating at 5 litres per minute.

Finally all Argent 3 hole tapware range is backed with a 3 year manufacturers warranty for peace of mind.
