DUTCH MANUFACTURING SINCE 1976

Located in Rijssen, Netherlands, we produce more than 150 different sinks for the national and international kitchen markets. Thanks to its constant innovation and a focus on people and the environment, Reginox occupies a leading position in the global market.

DESIGN SINCE 1976

Reginox knows the value of design and is able to create the most beautiful stainless steel designs. Being innovative – by paying attention to detail, with an eye for precision and always the right balance between functionality and design.

QUALITY SINCE 1976

Manufactured with the most modern deep drawing techniques and the best stainless steel. The core value is quality, which we safeguard throughout the entire process: if it's from Reginox, you can rely on it.

EXPERIENCE SINCE 1976

Reginox stands for successful products. We know what our consumers and the professionals expect – we anticipate their needs with innovative, quality products.

REGI - COLOUR ROYAL SINKS

COLOURED SINKS MADE FROM STAINLESS STEEL

An exciting new trend in the range of Kitchen sinks & Washbasins is the use of colour. Reginox introduces a completely new product range which responds to this trend. Regi-Colour is the family name for sinks made of stainless steel and fused with colour coating. By applying an advanced technique, Reginox has produced superb coloured sink units which have a luxury metallic & pearlescent finish. Regi-Colour has been extensively tested for chemical and abrasion resistance, and is available in 3 colours, Midnight Sky, Arctic White, Sahara Sand for a selected range of sinks.

REGAL SINKS

If you're in need of a square shaped kitchen sink, the Regal collection of sinks combine the beauty of a round waste basket with the sharpness and modern look of a square sink.

The rounded bowl corners allow you to clean and reduces the chance of food build up unlike other square sinks on the market.
