

*Make life easier, cleaner and fresher, with Argent's Hygienic Flush toilets.*

Unlike other toilets, the Argent Hygienic Flush system ensures a clean bowl every flush. Remove the need for frequent use of harsh chemicals, and have a cleaner bowl for longer.

Our subtle anti-splash lip means no more unwanted splashing, combining elegant design with maximum performance. The even flush distribution covers every part of the bowl and minimises the time you spend cleaning, leaving time for the more important things in life.

Make your bathroom experience cleaner and easier, with Argent's Hygienic Flush toilets.

## COMPLETE-CLEAN

Unlike other toilets, the Hygienic Flush system ensures a clean bowl every flush. Remove the need for frequent use of harsh chemicals, and have a cleaner bowl for longer.

## EVEN-FLUSH

The even flush distribution covers every part of the bowl and minimises the time you spend cleaning, leaving time for the more important things in life.

## ANTI-SPLASH

Our subtle anti-splash lip means no unwanted splashing outside the bowl, combining elegant design with maximum performance.
