CERTAINTY OF CHOICE

Choosing Villeroy & Boch is a choice for life. It means choosing bathroom tapware that spell out quality at first glance. Mixers that live up to the highest standards in functionality and materials - right down to the smallest detail, and with a timeless aesthetic that complements every bathroom design. Eye-catching, but not attention-seeking. Your Villeroy & Boch mixers are something to be enjoyed for many years to come. From the very first day you will know that you have made the right choice. Read on and find out what sure design, sure quality and sure function means for Villeroy & Boch tapware.

SURE DESIGN

Design and Villeroy & Boch are an inseparable unit. From the outset we have been working closely together with the best designers and architects. This is what gives our bathroom products their unmistakable style. It's how we develop unique bathroom fittings with a timeless aesthetic, while offering the highest functionality and exceptional comfort. It's why our tap fittings are always in perfect harmony with our bathroom ceramics, creating elegant bathroom solutions in a vast range of styles - all with one thing in common: our sure design.

SURE QUALITY

Since 1748, the name Villeroy & Boch has stood for quality and reliability "made in Germany". This unrivalled wealth of experience means we know exactly what matters when it comes to developing high-quality bathroom products. Visionary ideas, state-of-the-art production technologies and strict quality controls enable us to make fittings of exceptional precision that live up to the highest standards in every detail. With Villeroy & Boch bathroom products you can always rely on sure quality.

SURE FUNCTION

Smooth handling and innovative details are a hallmark of our bathroom tapware. Unique comfort, efficient use of water and easy operation make them a pleasure to use, day in, day out. Careful design, meticulous production and consistent quality control all ensure that our products still function like they did on day one, even after many years of use. These are things we are proud of and which are valued by Villeroy & Boch customers all around the world. Try for yourself and be impressed by the sure function of our tapware.

START

Remarkably stylish

Slender contours and gently curved transitions define the stylish design of Start. An attractive eye-catcher for modern bathrooms, sporting perfect Villeroy & Boch quality in the entry-level price segment.
