

Installation instructions

AVEO NEW GENERATION

GB Installation instructions for skilled craftsmen!
Following installation, hand the installation instructions
over to the end customer.

Villeroy & Boch
1748

Please check that all products are present and undamaged before commencing installation.
We will not be held responsible for visible defects after the product is installed.
Use sanitary silicon only.

MATERIALS

This bath is made of Quarryl®. This is quality synthetic coloured throughout and has a hard surface.

MAINTENANCE

Cleaning

Your bath will look at its best if you give it a regular rub over with a liquid detergent (Sunlight Lemon, Squezy) and a sponge or soft brush. For cleaning bathtubs with a matt finish, please rinse with soap and plenty of water.

Removing obstinate spots

Obstinate spots can be removed with a sponge and a liquid scouring agent (such as Jif) diluted with water. Do not use another scouring agent. Chalk spots are best removed with a vinegar solution.

Proof against household chemicals

Quarryl® baths easily withstand all normal chemicals used in the household without the surface of the Quarryl® bath being affected.

When your bathtub is damaged

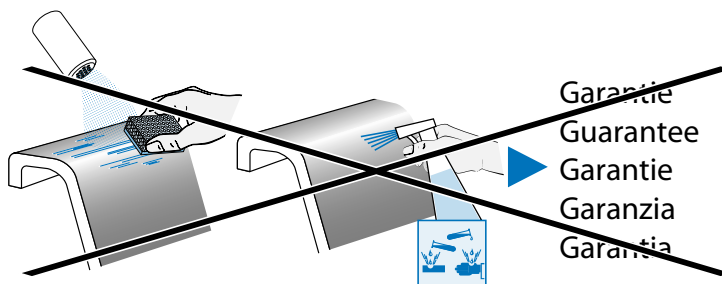

than it is possible that this damage can be repaired by one of our Service Engineers. Please contact our Sales organisation for information.

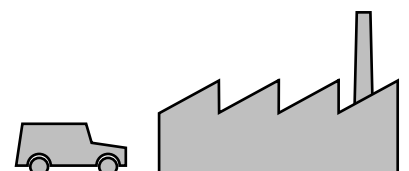

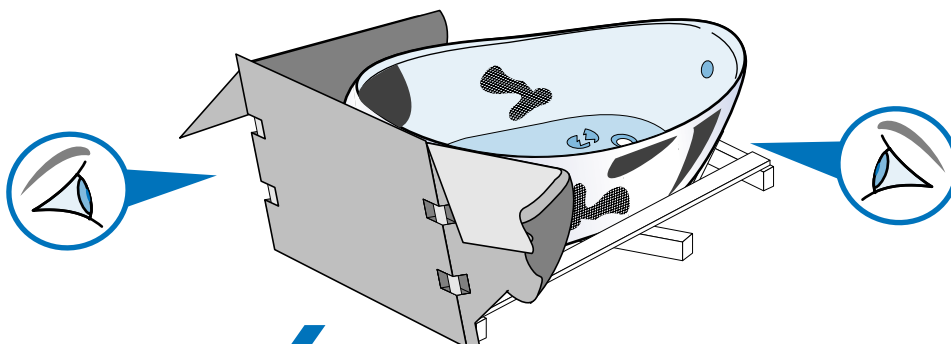

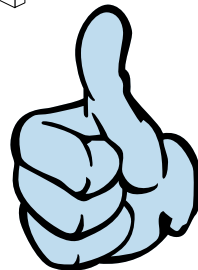

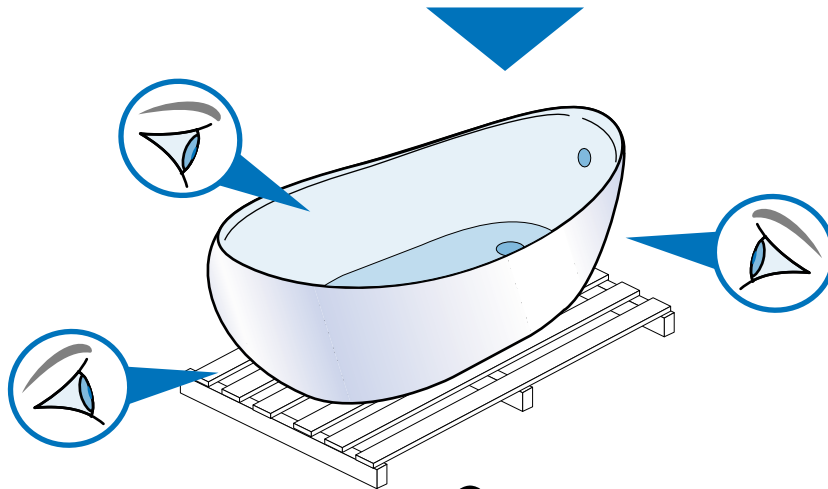

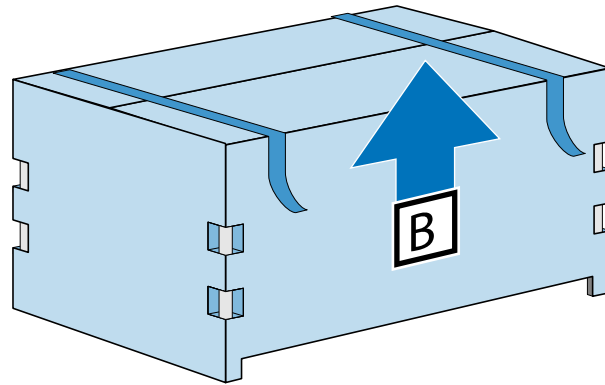

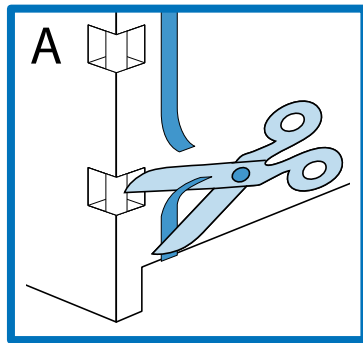

GUARANTEE

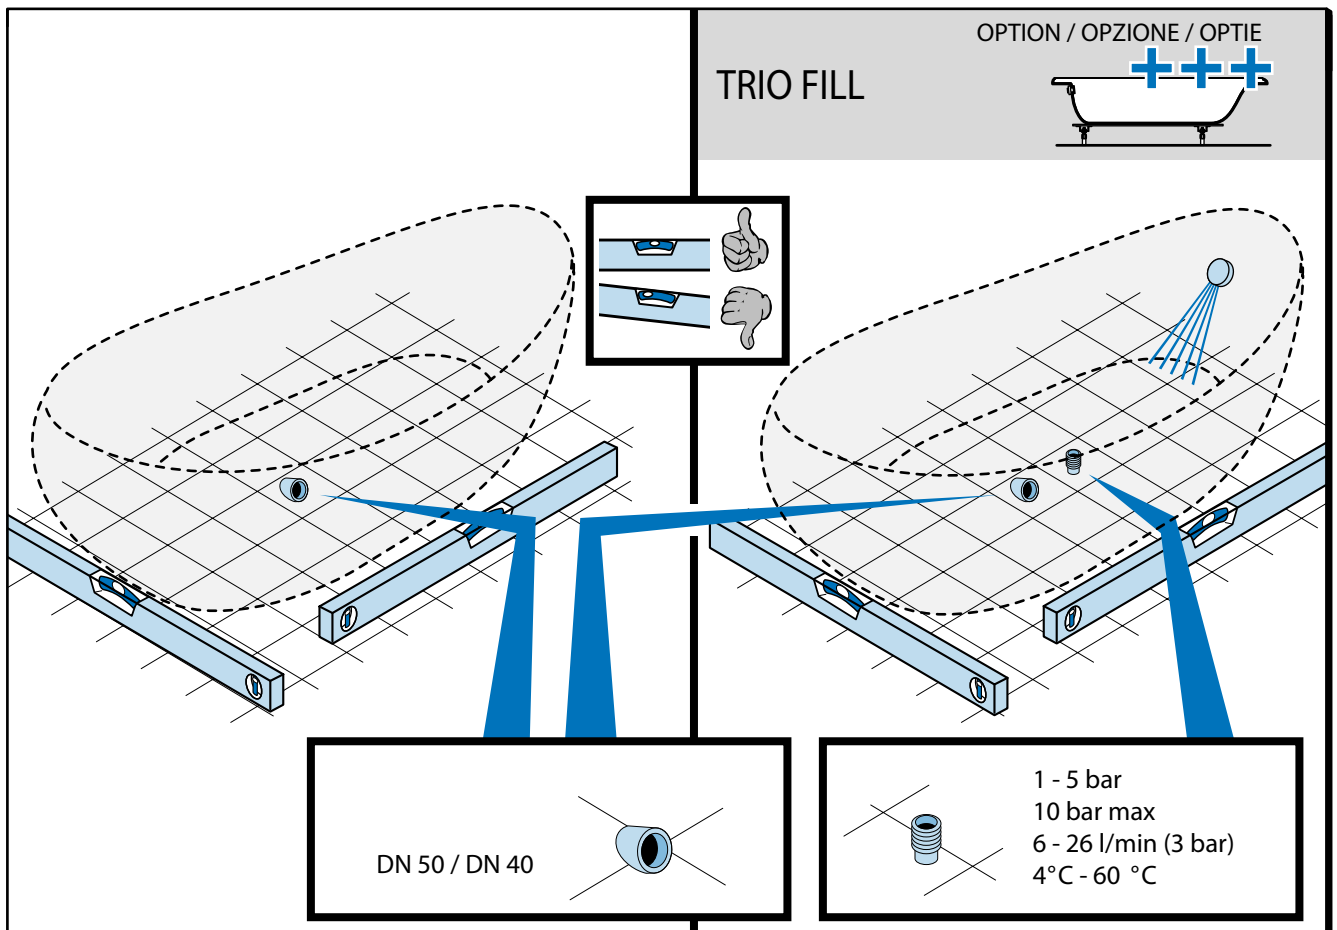

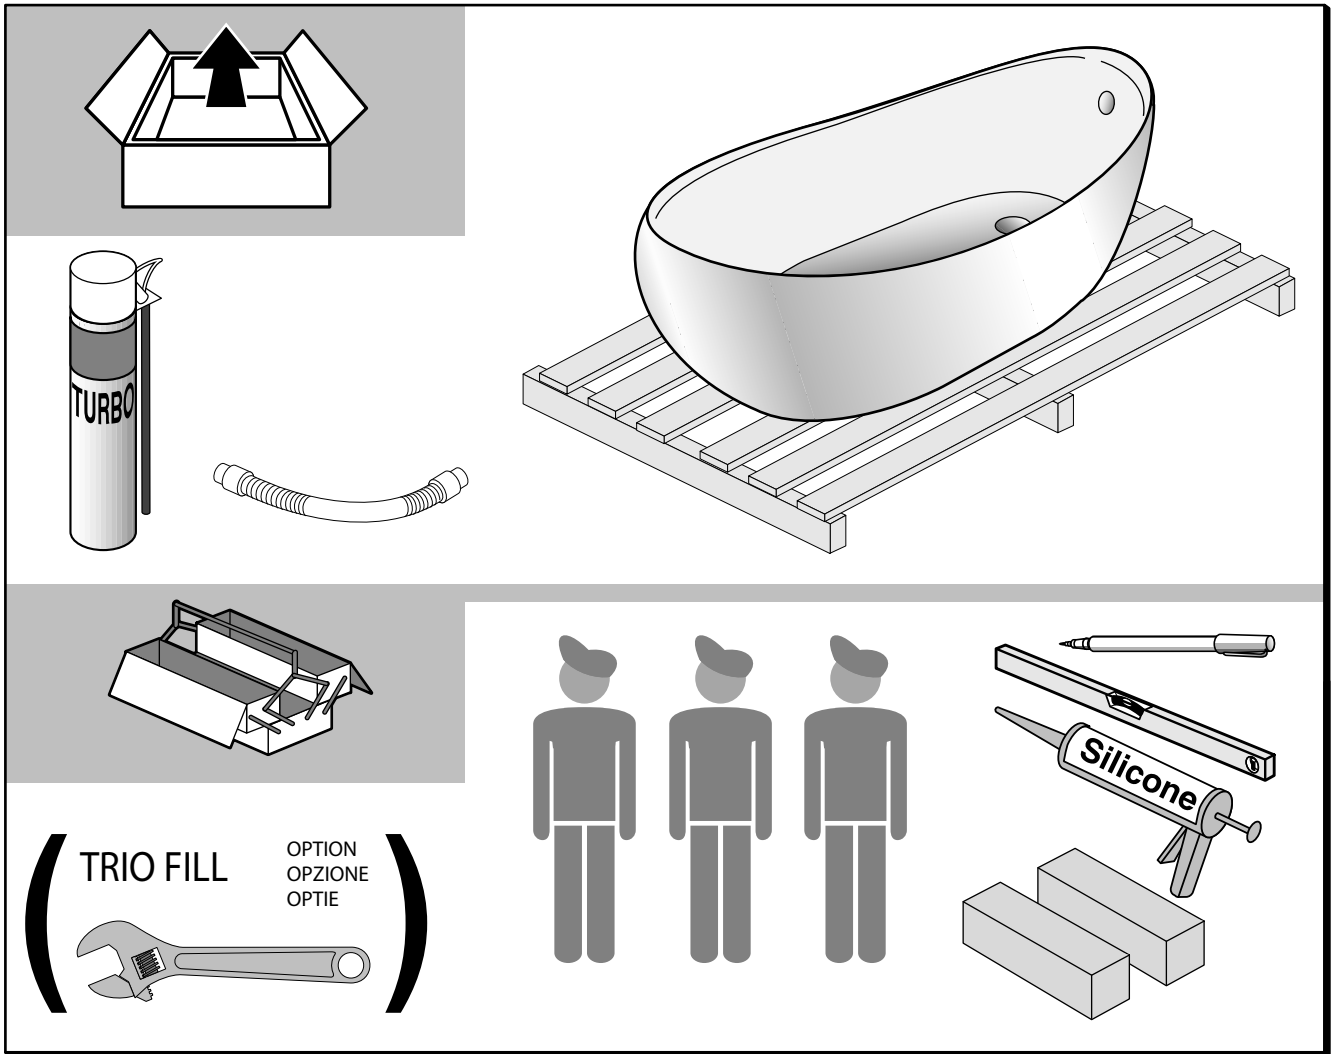

This quality product comes with a 10 year guarantee from the date of purchase. The guarantee covers: factory faults, changes in colour and/or cracks resulting from material ageing, and distortions caused by hot water. The guarantee is limited to the repair or replacement of products supplied.

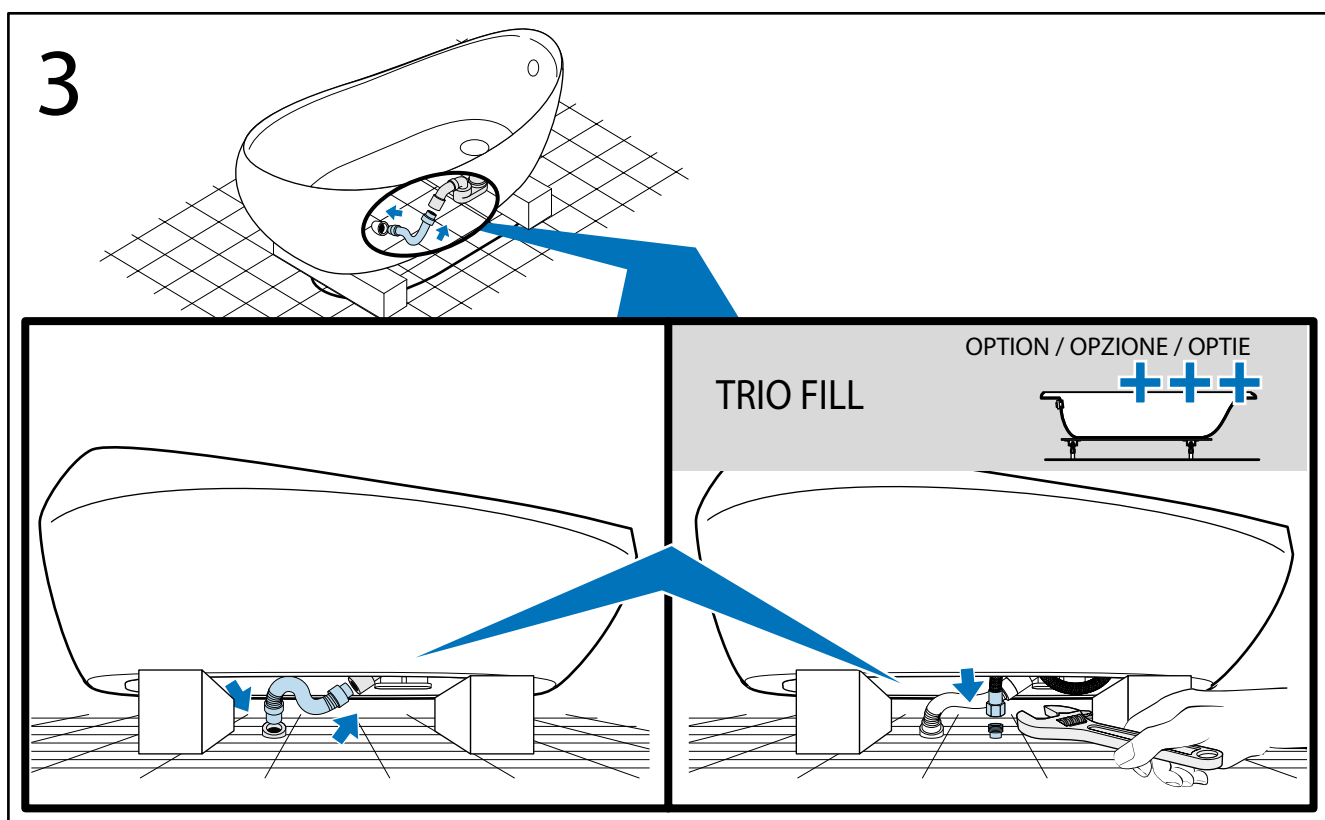

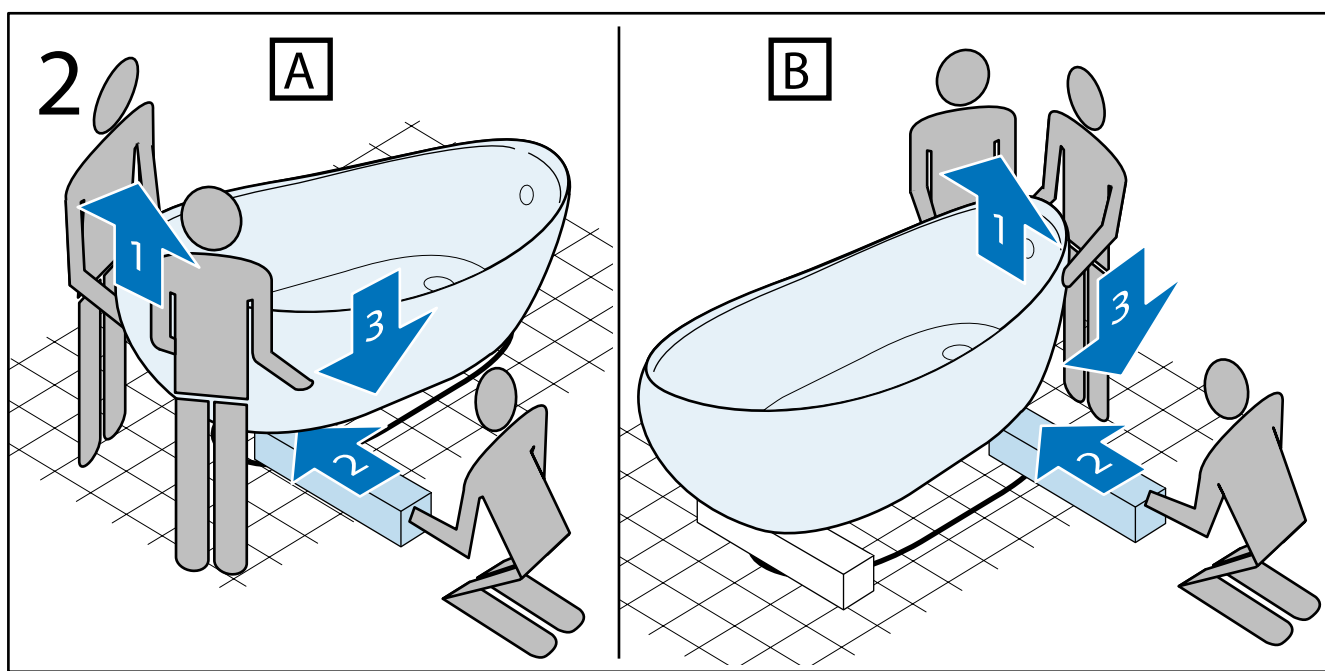

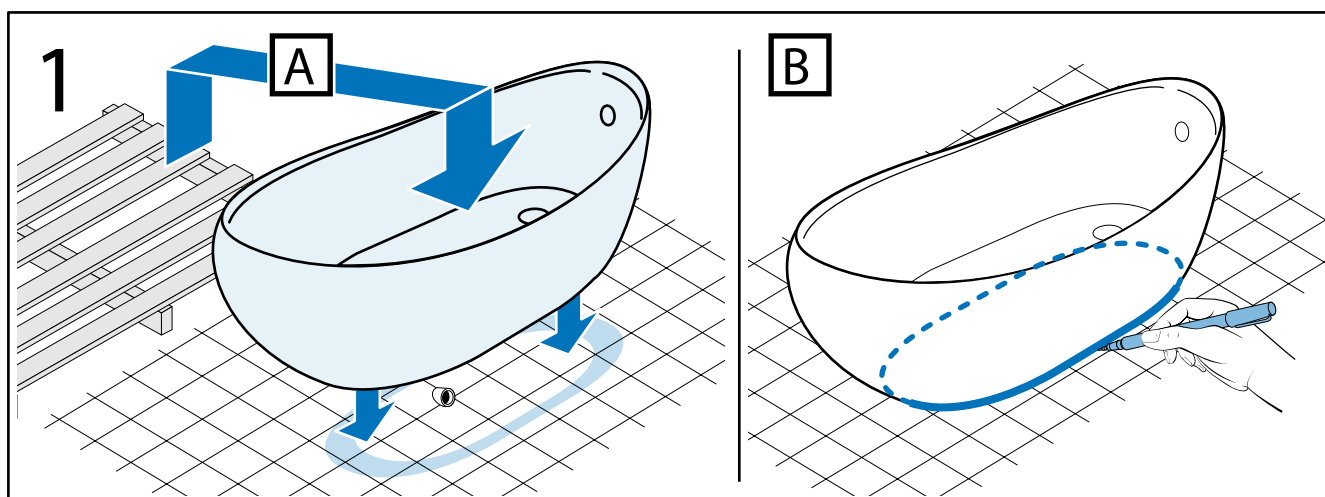

The guarantee is only valid if the product was installed in accordance with our installation/maintenance terms and conditions. And with the exception of the necessary drainage/overflow provision, has not been provided with a system developed or fitted by third parties and has not been subjected to modification (e.g. the drilling of holes) which are not indicated in the installation provisions accompanying the product.

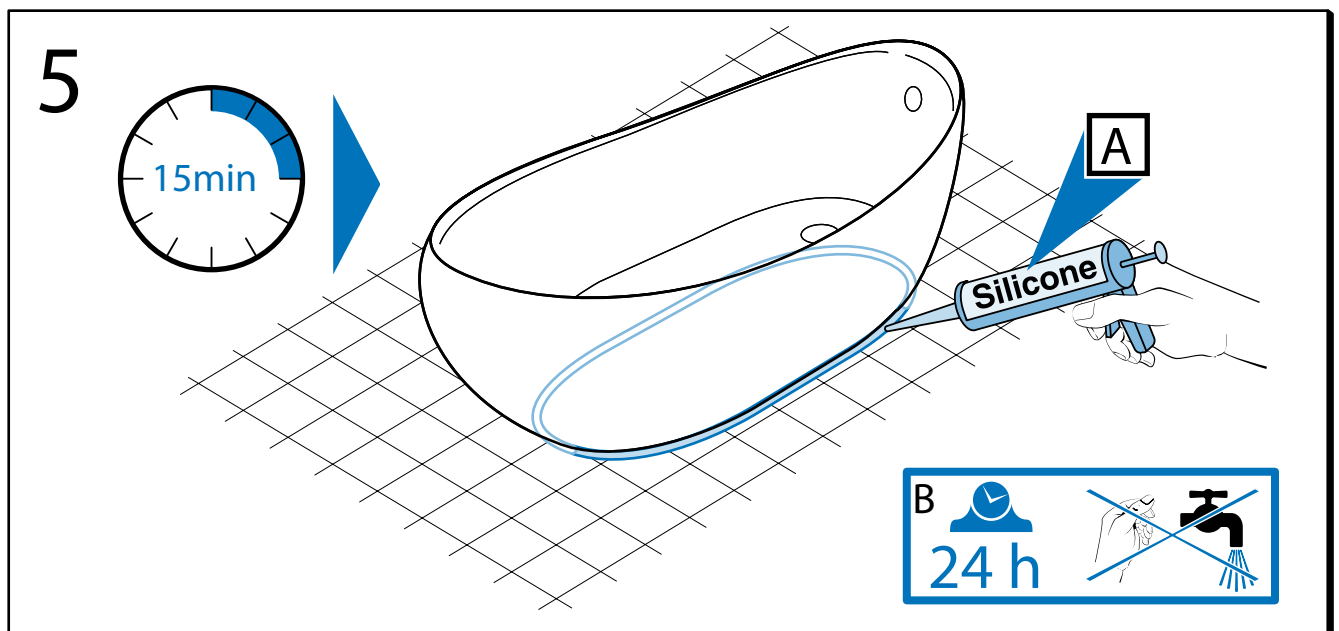

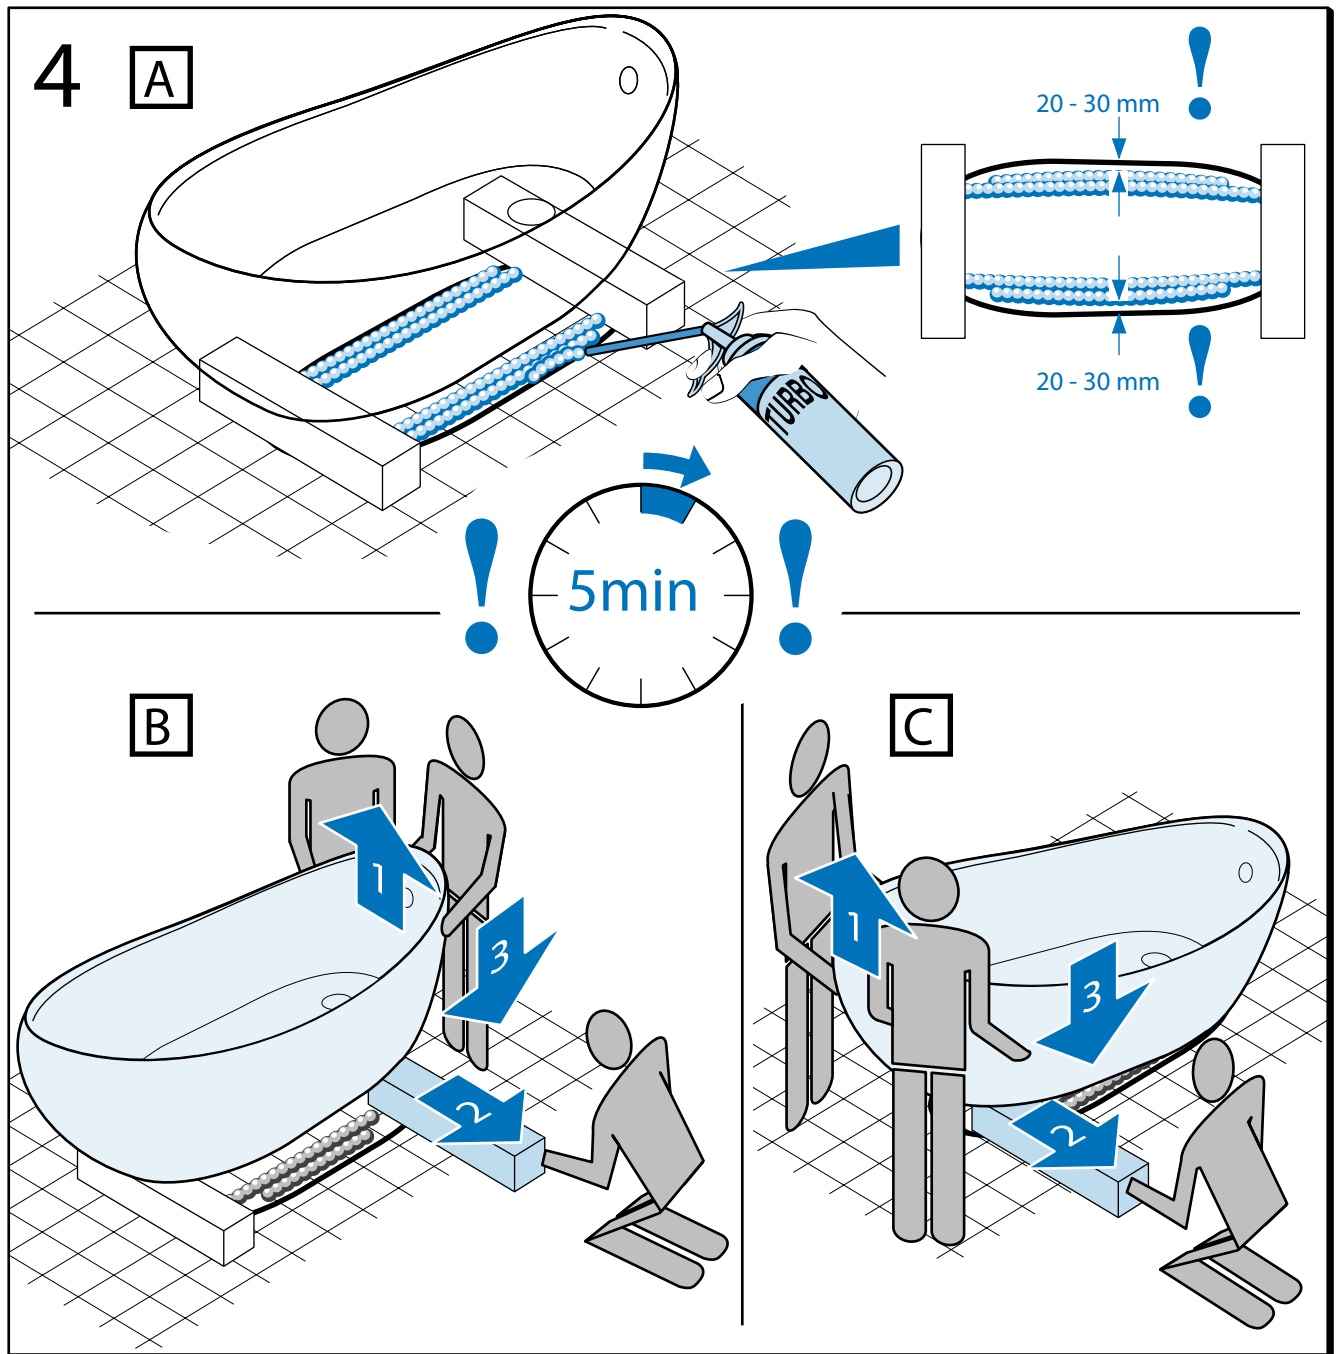

To claim against the guarantee please contact your dealer. Consequential damages and the cost of building-in or removing elements are not covered by the guarantee.
