Bathroom Furniture

The Zeta Bathroom Furniture Range is designed to complement Argent's Wash Basins. The Zeta Range best shows off its clean lines. The elegance of the chrome metal drawer handles radiates a touch of modern edge.

What makes the Zeta Range so unique from other bathroom furniture is the uniquely engineered quartz stone top, which come in 900mm or 1200mm in the Wall Hung and 900mm in the Floor mounted. The stone top is custom made to suit a unique selection of basins.

- The cabinets are fitted with Argent's exclusive soft closing drawer system, to eliminate slamming
- The height of these drawers allows you to store your bathroom basics up straight. eg: hair spray, shaving cream and moisturisers. These cabinets have a generous amount of space to store all your toiletry needs, so you can keep your bathroom clutter free
- Even better is that we can have your Zeta Furniture delivered to you in two weeks from when you placed your order.
